

- Chat face to face over the internet, record videos, snap high resolution photos
- High Definition Quality Video
- Quick launch buttons for Video Chat and Photos
- Compatible with popular instant messaging services.

Features & Benefits:

- **Up to 12-Megapixel** still image capture with software interpolation
- **3-Megapixel sensor with Autofocus** in a stylish webcam: get HD video quality and keep the image always sharp and focused.
- **Unique easy clip option:** for stable, secure and easy to attach to select HP monitors
- **Tilt and Pan:** easily adjust your webcam to let you show what you want while maintaining a stable connection to your monitor
- **HP Instant Chat button:** press one button to automatically launch your preferred Instant Messaging program* and your webcam controls (Magic-i)
- **ArcSoft Magic-i:** enhance your video conferencing experience with fun special effects. Magic-i also keeps all your webcam controls in one application and allows you save up to 5 user profiles so you are looking good wherever you use your webcam.
- Compatible with **AIM™, Windows Live Messenger, Skype®, and Yahoo!® Messenger.**
- **Certified high-speed USB 2.0:** take full advantage of your broadband access and enjoy up to 30 frames per second for smooth and natural body motion.
- **Integrated stereo microphone** and plug and play USB connection for easy installation .
- **Privacy cover:** slide the privacy cover when you don't want to be seen. The colored shade helps you identify if the privacy cover is on or off.
- Comprehensive software included: manage your online chat with ArcSoft Magic-i, capture, edit and share short videos with **Arcsoft VideoImpression** and ArcSoft WebCam Companion, and edit and retouch photos with **HP Photosmart Essential**.
